

I Am: AN EXPERIENCED LAWYER

Apply →

"Of course, a great reputation and broad based resources were important for best serving clients and we found that here. But, for our team and our clients, also critical was the firm's commitment to teamwork, to diversity with action not just words, and to community both inside and outside the firm. It is hard to describe the instant sense of belonging that our team experienced—people truly care here."

LISA PENSABENE, PARTNER, NEW YORK
