"As the Manager of Web Services, I learn so much about our business and operations. I look for areas that can be improved and I build solutions to help my colleagues do their work better and more efficiently. It's satisfying to see the impact my work has on different areas."

JONATHAN HORN, MANAGER OF WEB SERVICES, SAN FRANCISCO

Everyone at O'Melveny contributes to the success of our clients and our firm. Staff professionals are part of valued teams that drive innovative and award-winning solutions that support attorneys and leaders.

## Engage, Discuss, Learn

Our employee networks work together to provide thought-provoking and

informative programs like a screening and discussion of *Brother Outsider*, a documentary on civil rights activist Bayard Rustin.
