apiarino@omm.com

Alexandra Piarino focuses her practice on general corporate law, representing both private and public companies in connection with a wide range of business transactions, including mergers and acquisitions, dispositions, joint ventures, financings and other corporate matters, with a particular emphasis on entertainment, sports and media companies.

Within the entertainment, sports and media industries, Alexandra's clients include television networks, film studios, financiers, investment funds, production companies and content distributors.

Alexandra also maintains an active pro bono practice in the areas of child advocacy and immigration.
