

## Amy K. Liang

Counsel

San Francisco  
D: +1-415-984-8905  
aliang@omm.com

Amy K. Liang is an intellectual property lawyer who focuses her practice primarily on patent and technology-related litigation. Amy has experience in all stages of litigation, including claim construction, fact and expert discovery, summary judgment, trial, post-trial, and appeal. She also has experience in *inter partes* review proceedings representing patent owners and patent challengers. Amy also advises clients regarding intellectual property licensing and pre-litigation disputes.

Amy has experience in a number of technical areas including chip packages, semiconductor processing, chemical mechanical planarization, video compression, networking, digital watermarking, standards-essential telecommunications, and automotive technologies.

Amy has worked on multiple *pro bono* cases representing clients in civil rights matters.

### Experience

- Defended international electronics company in district court and appeal regarding license relating to chip packaging patents; prevailed on summary judgment relating to contract interpretation (N.D. Cal.; 9th Cir.)
- Defended consumer electronics company in district court regarding smart kitchen products (W.D. Wa.)
- Defended cloud communications company in multiple district court and *inter partes* review proceedings over patents relating to APIs for communications platforms (N.D. Cal.; PTAB)
