Washington, DC
D: +1-202-383-5413

O'Melveny partner Lisa Monaco was quoted in this article about The Aspen Cybersecurity Group's recently released report, which raises questions about the US's status as a global leader in innovation.

"Will America lead the technology that secures Americans?" Lisa Monaco, co-chair of the Aspen Group, said. "Will American values be reflected in the technologies of the future?"
