Deadline: ‘Bones’ Stars & EPs Vow To Appeal Cleaving Of \$179M Profit Award by Judge – Update

May 02, 2019

In a “stunning” victory for 21st Century Fox Inc., a California judge overturned \$128 million in punitive damages awarded to Bones cast members and producers in an arbitration earlier this year.

“We are pleased with the Court’s decision to strike punitive damages from the award and vindicating our position,” said Fox in a statement following Judge Richard Rico’s ruling. The Bones team has since filed an appeal.

Partner Daniel Petrocelli led Fox’s appeal in this matter.
