

FOX 5 DC (WTTG-TV): Report—Jack Evans peddled position to private clients, investigators say

November 5, 2019

O'Melveny has completed its investigation of DC Ward 2 Councilmember, Jack Evans, which concluded in a 97-page report that Evans repeatedly violated the official conflict of interest provisions of the code of official conduct. DC Council Chair, Phil Mendelson, said the report was "damning," and that he has called for Evan's resignation. Evans noted that he hopes to make a written response to the report available on Tuesday.
