O'Melveny's Representation of Vance Street Capital in Acquisition of Lark Engineering Noted by Mergermarket

September 18, 2013

On September 16, 2013, *Mergermarket* published an article, titled, "Vance Street Capital Closes Second Add-On Acquisition For Secure Communication Systems." O'Melveny represented Vance Street Capital in its recent acquisition of Lark Engineering, which closed on September 11, 2013. Following completion of the acquisition, Lark will become a division of Secure Communication Systems, a company which Vance Street Capital acquired in October 2009.
