O'Melveny's Sussman Quoted by South China Morning Post on Flow of Investment from China to US

February 18, 2016

In the February 18, 2016, article, "China's HNA Group To Spend US\$6 Billion on Ingram Micro," the *South China Morning Post* quotes O'Melveny's Larry Sussman, managing partner of the firm's Beijing office, on how the US is an attractive market for Chinese investors. "The Chinese rightly see the US and its growth potential as an appealing investment," Sussman said.
