## Key Regulatory Developments in India (2011-2012): A Summary

April 16, 2012

Dear clients and friends,

The O'Melveny & Myers India practice team has put together a note on the key regulatory trends in India from 2011 to date.

Key highlights include an analysis of regulatory changes relating to:

- Mergers and Acquisitions having a connection to India;
- Foreign Investment into India including the structuring of foreign investment;
- Access by Indian companies to the international capital market and loan market; and
- Access by foreign investors to the Indian capital market.

If you would like a copy of the note, please contact any member of the India practice team.

Thanks and regards  
O'Melveny & Myers
