Private Equity In the Shadow of Giants: Innovative Approaches Along the Investment Value Chain in Sub-Saharan Africa

December 12, 2011

O'Melveny contributed to the attached report which was compiled in cooperation with the South African Venture Capital Association. The report surveys a wide range of stakeholders in the African private equity ecosystem to help new-to-Africa actors interested in understanding in more detail the investment opportunities and nuances in the operating models on the Sub-continent. It was compiled in the second half of 2011, triggered by the recent increase in positive hype that Africa received as the last frontier market.
