A Discussion of Regulatory and Enforcement Trends

August 30, 2018

2 pm - 3 pm

In this session, panelists will analyze state and federal regulatory enforcement trends and share lessons from recent actions by state agencies and Attorneys General, the US Department of Justice, and the Securities and Exchange Commission, specifically as they relate to consumer protection. They will also provide practical advice on dealing with investigations and enforcement actions.

Applications will be made in CA, NY, and NC for MCLE credit. O'Melveny & Myers LLP is a State Bar of California approved MCLE provider and an accredited provider of MCLE in New York.
