Maddigan to Speak at the American Health Lawyers Association Webinar

June 5, 2012

Partner **Michael Maddigan** (LA) served as a speaker during the webinar "Medical Loss Ratio: New Developments and What's to Come," hosted by the American Health Lawyers Association on June 5, 2012. The webinar provided background on the medical loss ratio ("MLR"), analyzed preliminary data on MLR rebates, discussed the nuances of the MLR regulations and relevant legal and compliance issues to consider when analyzing or reporting MLR data, and addressed the impact of the MLR regulations and incentives on plans' relationships with pharmacy benefit managers, providers, and brokers.
