Brody to Speak at PhRMA Law Section Meeting

May 14, 2013

O'Melveny partner **Steve Brody** (DC) will speak at the annual Law Section meeting of the Pharmaceutical Research and Manufacturers of America (PhRMA) on May 14, 2013 in Wilmington, Delaware. Brody will join Pfizer counsel Markus Green to present on Navigating Attorney General Investigations and Litigation: Strategies for Successful Resolution. They will discuss important strategic considerations throughout the lifespan of an AG investigation, from initial outreach to state AGs in the pre-investigation phase to preserving key issues for appellate review, all in the context of recent AG enforcement trends in the pharmaceutical industry. PhRMA, formed in 1958 to represent America's biopharmaceutical companies and seek alignment between public policy and medical research to address patient needs, holds its Law Section meeting each year for in-house counsel at member companies.
