Busse to Speak at Santa Clara Computer & High Technology Law Symposium

January 30, 2009

O'Melveny counsel Brian Busse will be speaking at the 2009 Santa Clara Computer and High Technology Law Symposium, "Shifting Strategies in Patent Law: How the ITC, Non-Practicing Entities, and Inequitable Conduct are Changing the Patent Arena", to be held January 30 at the Tech Museum of Innovation in San Jose, California. Busse will be a panelist for a discussion on the ethical implications of inequitable conduct.
