Cheng Addresses US-China Data Security at IAPP Meeting

August 21, 2017

O'Melveny partner Ron Cheng will discuss US-China Data Security at the International Association of Privacy Professionals' special joint meeting with the Southern California Chinese Lawyers Association, hosted by O'Melveny from noon to 1:30 p.m. on August 21, 2017, at the firm's Los Angeles office. To register, [click here](#).

Cheng handles both anti-corruption and data security and privacy matters, and is co-located in Hong Kong and Los Angeles. He is one of very few Mandarin-speaking attorneys with experience in both US and Chinese criminal law enforcement.
