## Donilon to Speak on Advancing US Leadership in the Digital Age

March 6, 2017

O'Melveny partner Tom Donilon will speak at a Center for Strategic and International Studies (CSIS) event titled, "Advancing US Leadership in the Digital Age." Donilon and other members of the Obama Administration's Presidential Commission on Enhancing National Cybersecurity will discuss security challenges in the global digital ecosystem and their recommendations on the role of US government in enhancing national cybersecurity.

The event will take place at the CSIS headquarters in Washington, DC, on March 6, 2017, from 10:00 - 11:30 am ET and will also be webcast live here.

Donilon serves as Vice Chair of the firm and is a member of the firm's Policy Committee. A leading national security advisor with an extensive global network, Donilon has deep experience in global strategy, cybersecurity, financial services, and corporate governance.
