## Einat Meisel Presents “What’s Next for Israel?”

March 9, 2017

O’Melveny Israel Practice Head Einat Meisel will present a webinar titled “What’s Next for Israel?” in our Silicon Valley office from 8:30 to 10 am PT on March 9, 2017. Meisel will be joined by Yaniv Erlich, head of the Tax Practice at GKH Israel, a leading Israeli law firm, for a roundup of some of the hottest developments affecting your business and transactions in Israel.

Topics to be discussed include:

- Common challenges in Israeli outbound M&A
  - Retention holdback payments – what global acquirers need to know about holdback payments and reverse vesting mechanisms
  - Treatment of equity-based compensation for relocated employees – important considerations for relocating employees post-transaction
- BEPS implementation in Israel – “Game of Thrones”
  - Today’s No. 1 tax issue – base erosion profit shifting and how Israel fits into the global “Game of Thrones”

Please RSVP and specify whether you will be joining us in person or via webinar.
