## Fowler to Speak at Electronically Stored Information Preservation and Collection CLE

March 24, 2011

**O'Melveny** counsel **Jeffrey Fowler** (LA) will speak at Electronically Stored Information Preservation and Collection: Latest Developments, to be held on March 24. The CLE will provide business counsel with a review of the implications of recent court decisions, explain the analytical framework for preserving electronically stored information (ESI) and assessing culpable conduct, and offer best practices for using litigation holds and preserving ESI.
