Johnson to Speak at CEB E-Discovery Seminar

August 7, 2009

O'Melveny counsel Allan Johnson will be speaking at the CEB seminar, "Getting the Most Out of Discovery—Part I & II" on August 7 in Los Angeles.

This 6-hour seminar offered in two 3-hour segments will bring order and method to one's pre-trial practice, providing practical and meaningful discovery techniques useful for both new and experienced practitioners.

Part I & II will focus on:

- Discovery planning & organization
 - Case assessment: analyze issues, evidence and goals
 - Sequencing of discovery
 - Planning for pre-trial motions including in limine motions
 - Strengths & weaknesses of major discovery devices
 - Handling discovery disputes
 - Enforcing discovery requests
 - Hiring and consulting experts early
 - Containing costs
 - Informing & advising your client throughout the process
- Your opposition
 - Looking for holes in the other sides case & making it a recurring theme in your discovery
 - Handling holes in our own case
 - Educating your opponent about the strengths in your case
