Longo to Speak at Exterro Webinar

July 26, 2012

O'Melveny partner **Amy Longo** (LA) will be speaking during the webinar "M&A Challenges: Minimizing E-Discovery Risks Pre- and Post-Merger," hosted by Exterro, Inc. on July 26, 2012.

The webinar will discuss best practices for managing compliance obligations and movement of electronically stored information (ESI) throughout the pre- and post-Mergers & Acquisitions process, including:

- Deploying defensible data culling strategies that help control scope and cost when producing ESI on very tight deadlines
- Defining roles and responsibilities to ensure collaboration across all parties
- Protecting privilege and IP when responding to DOJ requests, as well as in subsequent, related legal actions
