Namrow to Speak at ACI's Third Expert Forum

February 23-25, 2011

O'Melveny partner **Eric Namrow** (DC) will speak at the American Conference Institute's Third Expert Forum, "ITC Litigation & Enforcement, Meeting the Unique Demands of Litigating High Stakes Section 337 Investigations," February 23-24, 2011. The International Trade Commission has grown in popularity as a forum for litigating patent disputes. This conference will provide a combination of insider insights and in-depth practical guidance from an industry-leading faculty of judges, senior International Trade Commission officials and expert litigators in the field. Eric will speak, specifically, on "Initiating an Action and Positioning Your Case as a Complainant, Respondent or Intervenor in a Section 337 Action."
