Suvor to Discuss Big Data at DAGA Fall Policy Conference

September 13, 2017

O'Melveny counsel Daniel Suvor will participate in the panel discussion, "Big Data and Our Communities," at the Democratic Attorneys General Association Fall Policy Conference to be held September 13-15, 2017, in Nashville, Tennessee.

Suvor, who previously served as chief of policy and senior counsel to California Attorney General Kamala D. Harris, is a skilled litigator who has extensive experience working with state attorneys general across a range of matters.
