Vespremi to Speak at ARMA Silicon Valley November Meeting

November 8, 2012

O'Melveny counsel **Roberta Vespremi** (SV) will speak at the ARMA Silicon Valley monthly meeting held at SanDisk Corporation next Thursday, November 8th, 2012.

This month's discussion is titled "The Virtual Office: Managing Information of a Remote Workforce - Case Studies" and will cover topics such as:

- How to capture, secure and manage remote worker information
- Security, privacy and governance implications of a remote workforce
- Latest tools and technologies to aid the IT and RIM professional in monitoring worker productivity and information governance
