Overview

O'Melveny brings together lawyers from around the world with deep experience in banking and finance to help its financial services clients achieve critical goals in areas as diverse as risk management, regulatory compliance, government relations, financing, transactional engagements, and litigation.

With industry-focused lawyers in major financial centers on both coasts of the United States as well as in Asia and Europe, we provide clients with unique insights into national and regional commercial and regulatory considerations. Our lawyers have worked in senior positions within financial firms, and as executives in government agencies directly regulating and supervising financial firms.

Described by *Chambers USA* as "highly regarded for its experience in acting for major financial services clients," O'Melveny is exceptionally well-positioned to help clients capitalize on emerging opportunities around the globe while minimizing risk and legal exposure.
