Overview

In an increasingly global economy, O'Melveny helps clients navigate the legal issues that arise while doing business—no matter where they are.

With extensive and longstanding connections to the government, we have a special insight into the political trends, policymaking agendas, and pitfalls confronting clients. Our partners include former top White House officials, in addition to former top attorneys at the Department of Justice, the Commerce Department, the Securities and Exchange Commission, and key House and Senate Committees, among other government agencies.

- *Chambers USA* notes that our partner Ted Kassinger “brings to private practice the political insight gained during his tenure as Deputy Secretary of the Department of Commerce.”
- Our partner Lisa Monaco served as Homeland Security and Counterterrorism Advisor to President Obama and before that as Assistant Attorney General for National Security at the Justice Department, the Department’s top national security lawyer.
