## Overview

O'Melveny's tax attorneys help a wide range of clients—including companies facing financial distress, significant creditors of a troubled company and investors purchasing a distressed business or its assets—navigate bankruptcy and non-bankruptcy restructurings and insolvency proceedings.

To ensure the best results, we often draw on the firm's highly-ranked restructuring group, which is skilled in a broad range of tax matters, with particular emphasis on reorganizations and financings, bankruptcy and workouts.
