Overview

O'Melveny's tax team helps clients structure, plan, and negotiate all aspects of US and international taxable and tax-free mergers and acquisitions.

We provide comprehensive and strategic tax planning advice throughout the entire deal cycle, from the preliminary structuring of a transaction to its closing. Our tax attorneys often collaborate with our highly-ranked mergers and acquisitions practice, combining a thorough knowledge of complex tax laws with a pragmatic and innovative problem-solving approach to our clients' transactional needs.
