Corporate Counsel named AT&T's Legal Department the "Best Legal Department" for 2019.

While preparing for trial, AT&T's Legal Department created a virtual law firm in Washington, D.C. which it called the Legal Operations Center. The rented office floor housed 70 staff members and lawyers from several AT&T legal offices and outside firms, led largely by partner Dan Petrocelli.

"I've had the pleasure of working on my fair share of high-profile, demanding matters, but I've never seen an in-house legal team work so seamlessly and effectively under such pressure as the AT&T legal department," said Petrocelli.
