O'Melveny Advises ADC & HAS Airports Worldwide in Acquisition of Belfast International, Stockholm Skavsta, and US Airport Assets

October 4, 2013

O'Melveny & Myers' representation of ADC & HAS Airports Worldwide in its recent acquisition of airport assets from TBI Limited received coverage from *Travel Daily News*, *ADS Advance*, and *MarketLine Financial Deals Tracker*. ADC & HAS announced the completion of its acquisition of the airport assets on October 1, 2013. The transaction included purchasing shares from Belfast International Airport, Stockholm Skavsta Airport, Orlando Sanford International Airport, and TBI Airport Management. According to the coverage, this significant transaction adds two international airports and more than 700 experienced airport personnel to the multi-national company, which holds "a proven track record of successful investment, development and operation of airports."
