The 2020 edition of *IAM Patent 1000* highly ranks six O'Melveny partners: David Almeling, Lisa Pensabene, Hassen Sayeed, Luann Simmons, Darin Snyder, and Ryan Yagura.

In recognizing the firm's work in California, the guide noted O'Melveny has a "pristine reputation in high-stakes patent litigation." It cited chair of the Intellectual Property & Technology Practice Yagura for his representation of Samsung; Snyder's work for Niantic; Simmons for her efforts on behalf of Google, and Almeling's leading role in trade secret litigation. In New York, *IAM* observed, O'Melveny "maintains an exciting practice operating at the cutting edge of the life sciences." The guide singled out Pensabene for her Hatch-Waxman litigation on behalf of AstraZeneca, with the help of Sayeed.
