A US Supreme Court case handled by O'Melveny & Myers LLP Appellate partner Walter Dellinger is featured in the January 1, 2012, *Law360* article, "Employment Cases To Watch In 2012." The case, *Hosanna-Tabor Evangelical Lutheran Church and School v. EEOC*, tackles the boundaries of the so-called ministerial exception, which blocks workers who perform religious duties from filing employment suits against the religious organizations they work for. Dellinger, who resides in O'Melveny's Washington, DC office, represents Cheryl Perich in the case.
