The April 17, 2013, edition of the *Daily Journal* featured 75 Top IP Litigators, including O'Melveny & Myers LLP partners Kenneth Nissly and Mark Samuels. Nissly, who resides in the Firm's Silicon Valley office, is recognized for his work on a patent infringement case for client SK hynix Inc. The court is deciding what sanctions should be imposed on technology company Rambus, according to the article. Samuels, the Firm's Los Angeles-based vice-chair, is featured for his win for client Top Victory Electronics in a patent claim that sought to prevent the television manufacturer from importing televisions that contained certain chip technology.
