O'Melveny was named the first-ever "Runner-Up" in *The American Lawyer's* national Litigation Department of the Year competition, this article reported. As *Am Law* noted, O'Melveny was honored for its work for such clients as AT&T and Time Warner in the defense of their historic merger, Johnson and Johnson in opioid litigation, and Puerto Rico in its US\$100 billion bankruptcy and reorganization.

"O'Melveny & Myers litigators have been front and center in massive, high-profile matters," said *The American Lawyer*. "Opponents know they're not bluffing—O'Melveny lawyers have repeatedly been tapped when clients are willing to go the distance in court."
