O'Melveny Represented AEG in Jackson Wrongful Death Lawsuit, Covered by Multiple Media Sites

February 22, 2012

Law360's February 21, 2012, "AEG Slips Michael Jackson Wrongful Death Suit," details a California state judge's decision to dismiss Michael Jackson's father's wrongful death claims against concert promoter AEG Live LLC. "The court's decision today is just the latest judicial rejection of the Jackson family's ongoing attempts to wrest yet more monies out of their son's legacy," said O'Melveny & Myers' partner Marvin Putnam, who represented AEG Live, according to the article. The case was also covered by *USA Today*, *Thomson Reuters*, *The Washington Times*, *Contra Costa Times*, and *Global Times*, among others.
