## O'Melveny's FCPA App Noted in The Recorder

May 6, 2013

---

O'Melveny & Myers LLP's [FCPA app](#), which introduces users to the Foreign Corrupt Practices Act and analyzes related enforcement actions and settlements, was mentioned in *The Recorder's* May 3, 2013 article "Firms Use Apps to Burnish Brands." The article quotes O'Melveny partner Daniel Shallman, who noted that in developing its first app, which launched last November, the Firm looked to create an app with "substance and depth."
