D: +1-202-383-5285

A US Supreme Court case handled by O'Melveny & Myers LLP Appellate partner Jonathan Hacker is featured in the January 1, 2012, *Law360* article, "Product Liability Cases To Watch in 2012." The decision in *Kurns et al. v. Railroad Friction Corp et al.* will rule on whether the Locomotive Inspection Act bars state tort claims over asbestos exposure from locomotives. Hacker, who resides in O'Melveny's Washington, DC office, represents the respondent in the case.
