Real estate lawyers Michael Hamilton and Timothy Evans have rejoined O'Melveny in the Los Angeles office, this article reported.

"Tim and I decided that we wanted to be in a place in the final parts of our career, the final 10 years or so, where we're surrounded by excellence and a supporting environment where you're all in the effort together. And I am convinced we found it," Hamilton said. His practice includes finance and corporate restructuring transactions with a focus on corporate and institutional owners of large property portfolios and Evans represents clients buying, selling, leasing, and developing commercial real estate, *Daily Journal* noted.
